

FERAL CITIES™

Series / Type : Fourth Edition / Core Setting

Compatibility: Requires *Shadowrun, Fourth Edition*.

Selling Points:

- Spotlights the urban wilds of the Chicago sprawl, devastated by the events of Bug City and its aftermath, and then abandoned to its fate in the wake of Crash 2.0.
- Exposes the savage heart of Africa's darkest and most dangerous city, the lawless and feral megasprawl of Lagos, where staying alive is a run in itself.
- Seven indomitable feral sprawls and urban jungles across four continents open up new and distinctly different environments for adventure and intrigue, rife with unique challenges and hidden menaces.

Promotion:

- Advertised in Game Trade Magazine and Greater Games Industry Catalog.

Target Market:

- Current *Shadowrun* Gamemasters looking for original and challenging new settings for their adventures.
- *Shadowrun* players/readers looking for followups to the fan-favorite Bug City storyline, and the fate of Chicago in 2071.
- *Shadowrun* groups looking for a change of pace and a markedly different set of challenges and adversaries from the modern, high-tech megalopoli they are familiar with.

Up-Sells & Cross-Sells:

- *Emergence* [CAT26301]
- *Corporate Enclaves* [CAT26201]
- *Ghost Cartels* [CAT26302] (Summer '08)
